ANNUAL REPORT

FOR THE TOWN OF

BRISTOL

NEW HAMPSHIRE

FOR THE FISCAL YEAR ENDING
DECEMBER 31, 1999

Ernest "Ernie" H. Glines

We are honored to dedicate the final Town Report of the Millennium to retired Fire Chief, Ernest H. Glines who continues to be a respected leader in the Town of Bristol.

"Ernie", a life long citizen in this area served 25 years in the Bristol Fire Department from 1970 to 1995. He was a firefighter from 1970 to 1985, when he became Deputy Chief. In 1988 he became Chief of the Department until 1995, when he retired. He was a dedicated fire fighter and Chief and was well liked by his department. He graduated from Bristol High School in 1951 and shortly after, joined the U.S.A.F. during the Korean Conflict. He worked for the NH DOT for 34 years as a Survey Engineer, until his Retirement in 1995. He is always available to lend a helping hand with a cheerful nature and wry sense of humor.

Selectmen's Report

This has been a busy year for the Town of Bristol. The Town has lived within its budget and ended the year on a sound fiscal note. The financial position of the Town of Bristol remains strong. We saw a drop of \$4.55 per thousand on our tax rate. While some of it was due to the inclusion of state money for education, it was due to prudent use of taxpayer dollars. The Board of Selectmen thanks each member of the town government who contributed toward another successful year for the Town. Without Bristol's full and part-time employees, as well as the many people who volunteer their services this would be an impossible task.

The Board has accomplished much during the year. The Town has been an active participant and partner in supporting such activities as Old Home Day, the Fourth of July Fireworks, the addition of flowers around town, and the dedication of the Avery/Crouse Beach at the foot of Newfound Lake. Each of these activities has had special people behind them such as David Powden, Leslie Dion, Dave Conlon, and Shirley Yorks. The community spirit in Bristol is strong and growing. One of the major tasks accomplished this year, with the assistance of the Police Commission and Chief of Police, as well as public input, was the re-direction of traffic flow on North Main Street and School Street. This has eliminated a safety problem that mixed children and cars from Kelley Park and the Bristol Elementary School. The Kelley Park Commission has continued to work on its plan to update the facilities at Kelley Park, with an improved baseball diamond and ice skating facility. The Bristol Lions Club has provided the labor to flood the rink and once again the community can benefit from another recreation resource. The Bike Path Committee has continued its work and is in the design and survey stages of making the path a reality. This spring should see the start of construction. This has been a particularly interesting task, as so many landowners are affected. Thanks to Les Dion, Phil Bloom, Barry Wingate, Beverly McKenna, Dan McLaughlin, and Greg Woolsey. The Bristol Planning Board has taken on the task of updating the Town's Master Plan. The Board members, Chris Stamnas, Dave Sullivan, Betty Seeler, Ken Chourney, and Don Martin, have the assistance and support of 20 community members with representation from all sections of the community. The Planning Board has reviewed the zoning ordinance during the year and expects to update it based on the results of the Master Plan update. The Plan's update will be based on survey results received from community members. We thank you for taking the time to fill out those surveys.

The single most important undertaking during the past year has been the re-evaluation of all property in the Town. This is an ongoing process which will continue throughout the new year. The Board of Selectmen awarded the contract for this service to Corcoran Consulting

Associates, Inc. from Wolfeboro, NH. This, along with a systematic approach to property questions by taxpayers, is going to go a long way toward the Selectmen's goal of providing equal treatment of all property assessments in Bristol.

After much consideration and discussion, the Board of Selectmen, along with the Bristol Fire Commission, has begun the process of creating the Bristol Fire/Rescue Department. This process was initiated by our former Fire Chief, Steve Curley, whose foresight and continuous support we are extremely thankful to have. A new Fire Chief has been hired to orchestrate this process. Chief Norman Skantze is a valuable addition to this department and will work with the Selectmen and Commissioners to provide the higher quality of service that today's citizens expect.

As you may well imagine it has been a busy year for the Selectmen and the community. During the year Phil Dion resigned from the Board of Selectmen due to business demands. The Town owes Phil a debt of thanks for his efforts. Having only two Selectmen has increased the time, effort, and energy needed to fulfill the demands placed on the office of Selectmen. We have relied more heavily on the Town Administrator, Debra Shackett, as well as the Department Heads; Mark Bucklin, Jeff Chartier, Barry Wingate, and Steve Curley. Support personnel, such as Karen Corliss, Bob Curdie, Melvin Drake, Jan Laferriere, Marie Mahoney, Melanie Shokal, and Raymah Wells make the day-to-day workings of our town offices happen. Town Clerk/Tax Collector, Pat Woolsey and her assistant, Linda Brown, along with the Fire, EMS, Highway, Police, and Public Works departments give the type of daily service that the community has come to expect, and when compared to other communities, is found to be excellent. This level of service is the basis for this Board of Selectmen's commitment to treat our employees with respect and fair compensation. We thank you, the community, and all of those mentioned and not mentioned for your continued support.

The Bristol Board of Selectmen,

Joseph Denning, Chairman
Andre Bourbeau

2000 Town Warrant

Bristol, NH

Grafton, SS

The polls will be open from 8:00 am until 7:00 pm. To the inhabitants of the Town of Bristol in the County of Grafton, in said state qualified to vote in town affairs: you are hereby notified to meet at the Town Hall in Bristol on Tuesday, the 14th of March next, at eight of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary town officers for the year ensuing.

Polls close at 7:00 pm and further action on the following articles at the Town Hall in Bristol at 7:00 pm on Wednesday, March 15, 2000.

Article 2. To see if the Town of Bristol will vote to establish a Central Street Bridge Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of rebuilding or renovating the Central Street Bridge and to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in this fund. The Selectmen to be named as agents to expend from this fund. Recommended by the Selectmen. Not recommended by the Budget Committee. (Majority vote required).

Article 3. To see if the Town of Bristol will vote to establish a Fire Department Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of replacing trucks for the Fire Department and to raise and appropriate the sum of thirty thousand dollars (\$30,000) to be placed in this fund. The Selectmen to be named as agents to expend from this fund. Recommended by the Selectmen. Recommended by the Budget Committee. (Majority vote required).

Article 4. To see if the Town of Bristol will vote to appropriate the sum of ninety thousand dollars (\$90,000) to purchase an ambulance. Forty thousand dollars (\$40,000) to be raised through general taxation, and fifty thousand (\$50,000) to be withdrawn from the Ambulance Reserve Fund. Recommended by the Selectmen. Recommended by the Budget Committee. (Majority vote required).

Article 5. To see if the Town of Bristol will vote to raise and appropriate the sum of \$2,874,307, which represents the operating budget. Said sum does not include special or individual articles addressed. Recommended by the Budget Committee. (Majority vote required).

Article 6. To see if the Town of Bristol will vote to reclassify the following Class 5 Town Roads as Class 6 Town Roads subject to gates and bars, in accordance with RSA 231:45: Benz Road (above the intersection with Jenness Hill Road), Locke Road, Jeffers Road (beyond the intersection with Schaeffer Road), and Schaeffer Road. The effect of this

reclassification is to discontinue the Town's obligation to provide maintenance; however, the road remains a full public highway.

Article 7. To see if the Town of Bristol will vote to completely discontinue all public rights to Remick Road and Towne Road. The effect of this discontinuance is that these public ways will become private driveways.

Given under our hands and seal this 22nd day of February, in the year of our Lord two thousand.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Bristol
Bristol, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Bristol as of and for the year ended December 31, 1998 as listed in the table of contents. These general financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

Except as discussed in the following paragraphs, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Government Accounting Standards Board Technical Bulletin 98-1, *Disclosures about Year 2000 Issues*, requires disclosure of certain matters regarding the year 2000 issue. The Town of Bristol has included such disclosures in Note 8B. Because of the unprecedented nature of the year 2000 issue, its effects and the success of related remediation efforts will not be fully determinable until the year 2000 and thereafter. Accordingly, insufficient audit evidence exists to support the Town of Bristol's disclosures with respect to the year 2000 issue made in Note 8B. Further we do not provide assurance that the Town of Bristol is or will be year 2000 ready, that the Town of Bristol's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Bristol does business will be year 2000 ready.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Bristol has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

Independent Auditor's Report (continued)

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, along with the effects of such adjustments, if any, as might have been determined to be necessary had we been able to examine evidence regarding year 2000 disclosures, as noted above, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Bristol, as of December 31, 1998, and the results of its operations and the cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Bristol taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Bristol. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

SCHEDULE OF LONG TERM DEBT

Long-term debt payable at December 31, 1998, is comprised of the following individual issues:

Description	Original Amount	Issue Date	Maturity Date	Interest Rate %	Outstanding at 12/31/98
General Long-Term					
Debt Account Group					
Route 104 Sewer Bond	300,000	1995	2005	5.25	210,000
Water Tank Bond	440,970	1988	2003	6.95 - 7.55	150,000
Sewer Treatment Plant Bond	940,000	1989	2009	6.70 - 6.75	495,000
Compensated Absences Payable					57,855
Total General Long-Term Debt					\$ 912,855

Annual Requirements To Amortize Governmental Fund Debt

The annual requirements to amortize all general obligation debt outstanding as of December 31, 1998, including interest payment, are as follows:

Fiscal Year Ending December 31, 1998	Governmental Fund Debt		
	Principal	Interest	Total
1999	\$ 105,000	\$ 55,261	\$ 160,261
2000	105,000	48,525	153,525
2001	105,000	41,760	146,760
2002	105,000	34,965	139,965
2003	105,000	28,140	133,140
2004 - 2009	330,000	68,288	398,288
Totals	\$ 855,000	\$ 276,939	\$ 1,131,939

All debt is general obligation debt of the Town which is backed by its full faith and credit. The Enterprise Funds pay all of their respective debt as approved and budgeted on an annual basis.

BRISTOL POLICE COMMISSION REPORT

The Bristol Police Commission and the Chief of Police, submit the following for the year 1999. We would like to thank all of the employees of the Bristol Police Department for their dedication to their duties and for the good job that they have done this past year.

Several officers left the department this past year. Patrolman Douglas A. Voelbel left to take a position with the Lebanon Police Department. Doug had been with us for over four years, and he had served as Bristol's first DARE Instructor in the Newfound Memorial Middle School. Longtime Special Police Officers Philip M. Dion and Scott K. Satterfield also resigned their positions as part-time special police officers.

Bonnie J. Burns of Hill, New Hampshire has been hired as a fulltime patrol officer to fill the vacant fulltime patrol position. The police department has gone from ten special officers to five, and we hope to be able to hire, train, and use some new part-time special officers in 2000.

Patrolman Henry A. Yip completed the DARE Instructor School Training Program in September, and will be the department's DARE instructor starting January 2000.

The Bristol Police Department would like to thank the New Hampshire State Police and the Grafton County Sheriff's Office for their assistance this past year in helping us during several incidents. We would also like to thank the police departments in the surrounding towns for their assistance to us, under our mutual aid agreements.

The Bristol Police Commission and all of the Police Department, wish to thank you for your support and cooperation this past year.

Respectfully submitted,

Carroll M. Brown, Chairman
David J. Albert, Commissioner
Michael W. Bannan, Commissioner
Barry W. Wingate, Chief of Police

BRISTOL FIRE DEPARTMENT

Motor Vehicle Accidents	28	Wood & Brush	5
Alarm Activations	23	Motor Vehicle Fires	5
Mutual Aid	19	Medical Assist	5
Smoke Investigations	11	Chimney Fires	4
Downed Wires	11	False Alarms	3
Carbon Monoxide Alarms	7	Electrical Problems	3
Structure Fires	6	Propane Leaks	3
Fuel Spills	5	Miscellaneous	29

1999 proved to be a very busy year for the Fire Department. Our total number of calls reached a record high of 168. The normal annual average for working structure fires is 2-3. This year there were 6. The other area showing an increase was motor vehicle accidents, both minor and major. We have found that our rescue equipment is getting to the 18-20 year old mark. This year the Bristol Fire Company purchased a new cutting tool for the "Jaws of Life" at a cost of \$3800, with money raised from a very successful carnival in July. You will see other rescue tool purchases in the department budget for the next two years to replace much needed equipment, as it becomes necessary.

In 1999, the department completed its purchase of 4" supply line hose. This is the hose you see going from hydrant to truck, supplying a continuous flow of water for fire suppression. The Fire Commissioners wish to express their gratitude to John Day and Josh Lee for the many hours they put in maintaining the fire trucks. These two individuals work through holiday weekends, 8-10 hours a day, if necessary, to work on a truck that is "out of service" due to mechanical problems. The 1980 American LaFrance attack truck is the next truck to be replaced in 2006. This truck has its share of problems due to its age and constant use.

The Bristol Fire Department is still in need of volunteer call fire fighters. If this is something you have always wanted to do for the community you live in, please stop in to the station to fill out an application. We have a current roster of 20 firefighters (down from 33 in 1985). These individuals still do a fantastic job of fire suppression and rescue service for their community. The Board of Fire Commissioners would like to say *"job well done"* to this dedicated group of people.

1999 marked the 15th consecutive year the department has decorated the town with Christmas lighting, as well as a 5-year service stripe for firefighter Catherine Pitari. We wish Cathy many more.

In closing, the Bristol Fire Department and Fire Company wish to say *"Thank You"* to the residents and taxpayers of the town of Bristol for their continuous support of this department. We hope the year 2000 is a healthy and prosperous one for all.

Respectfully submitted,

David A. Evans
Robert W. Patten
John R. Bianchi
Board of Fire Commissioners

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfires. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PROVENT FOREST FIRES!!

BRISTOL EMS DEPARTMENT A NEW BEGINNING

1999 has been a challenging year for Bristol EMS. We've gone through many changes. As we approached the new millennium, it became apparent that a financial revitalization of our service was essential for the year 2000. New equipment purchases are being planned through the current budget. With this in mind, it's our goal to merge with the Bristol Fire Department.

Our new beginning will be orchestrated under the direction of our new Chief, Norman Skantze, along with every member of the EMS and Fire departments.

We are working together to bring our services up to date with current standards of operation. Many of our members are advancing to higher levels of certification. As they work very hard to increase the quality of their work, the support of all residents is crucial.

We would like to purchase a state of the art ambulance. This wise expenditure will be compatible with our higher levels of care. Instead of providing medical transportation, this will literally bring an emergency room to your doorstep. Our goal is to serve the community with quality and integrity.

Respectfully submitted,

Mike Goss, Interim Director

BRISTOL HIGHWAY DEPARTMENT

1999 was a busy year for the Highway Department. Although there was little snow, we were kept busy with plenty of ice.

During the summer months the Highway Department completed many projects such as the reclaiming and repaving of Smith River Road, the resurfacing of Shore Drive, and sealing Hall Road and Brookwood Park Road. A new drainage system was installed on Merrimack Street along with some asphalt curbing to prevent run off from damaging the property beside the road. A new sidewalk was added on Pleasant Street from Worfield Circle to the new Cricenti's Market.

In 2000 the Highway Department plans to work on the following projects:

- ⌘ Resurfacing Lakeside Drive and Overlook Drive, Central Street, Spring Street and Merrimack Street
- ⌘ Drainage improvements on Union Street
- ⌘ Engineering a plan for the replacement of sidewalks along North Main Street leading into Central Square

On behalf of myself and all of the Department employees, our thanks for your cooperation and support in maintaining a good road system for the Town of Bristol and its citizens.

Mark Bucklin
Highway Superintendent

PUBLIC WORKS DEPARTMENT

We are nearing the second full year as Commissioners for both the Bristol Water Works and the Bristol Sewer Department, now known as the Public Works Department.

There have been several personnel changes this year. Carl Couture, the Wastewater Treatment Facility Chief Operator left to further his career at a larger treatment facility. We appointed Arthur Borry to that position. Russell Marquis, a recent graduate of the NH Tech was hired primarily as a wastewater treatment facility operator. Doug Bruning who was a part time PWD employee was promoted to a full time position with the Highway Department and Jesse Lamos has replaced him in that capacity.

We continue to complement our entire staff for the work that is done on behalf of the Public Works Department.

The Wastewater Treatment facility has been cleaned up largely due to the de-watered sludge being hauled to Plymouth to be composted. Many of the outbuildings have been painted, a new building has been erected over the sludge container, a slab has been poured for future lab expansion which will be built when weather permits. Fencing has been installed along the upper and lower ditches and along the perimeter of the facility.

The EPA requires more information and frequent testing throughout our facility, since September we have been working off our new discharge permit.

The sewer budget has once again shown that a rate increase is inevitable. The department has been in overall arrears for the third year. To resolve this shortage some creative adjustments must be made. There is no way that the projected budget can be shaved.

A second well pump installation is now complete and operating at the Fowler River Well Site. It is installed across the river on the Beaulieu property which was purchased several years ago for this very purpose. This second pump was necessary as the 1980 pump facility had no backup for emergencies. The capacity will be about $\frac{1}{4}$ that of the original pump but this poses no difficulties for the system.

We are continuing our meter upgrade in which we install three hundred new meters per year. We have worked on our Consumer Confidence Report, that went out with the bills in October, you can expect another CCR with your billing in July. We continue to make improvements throughout the system to better serve our customers.

The water works is nearing the same budget situation as is being experienced in the sewer department. Again the cost of doing business has overcome our ability to keep the rates as now established. However, no change is anticipated this year.

We welcome any suggestions relative to making a better PWD. All will be addressed.

Burton W. Williams, Chair: William R. Phinney and John R. Bianchi, Commissioners

MINOT – SLEEPER LIBRARY BOARD OF TRUSTEES REPORT

The Minot-Sleeper Library was chosen by the State Library to receive a computer as part of the one-stop job information program of the New Hampshire Department of Employment Security. The computer is for public internet access to New Hampshire Works, which lists employment opportunities across the state. The computer comes with resume writing software to aid our patrons in job applications.

The library purchased a new computer in the spring, which allowed us to have internet access. This was necessitated by the fact that the State Library no longer provides free service to libraries for their inter-library loan requests.

The theme for the summer reading program was "Once Upon A Summer Reading". An ice cream party was held at the end of the summer for children who had attended the weekly story hour, and for the participants in the reading contest. Weekly story hours were held during the year.

Family passes are available to the Christa McAuliffe Planetarium, Shaker Village, and The Museum of New Hampshire History. Please contact the Librarian for further information.

Meetings of the Board of Trustees have been changed to the second Tuesday of the month at 7:00 p.m.

Gordon Dole has retired as Treasurer of the library. Gordon served as Treasurer and/or Trustee for a period of twenty-six years. Trustee Roger Pederson has taken over as Treasurer.

We are looking forward to a scenic addition in back of the building, as a butterfly garden is being planned. This will be built as a joint venture of the Pasquaney Garden Club, UNH Cooperative Extension Master Gardeners, Art of Living students, and elementary school students.

Circulation Statistics for 1999

Adult Fiction:	4,661	Paperbacks:	643
Adult Non-fiction:	1,273	Magazines:	2,942
Jr./Children Fiction:	2,299	Videos:	2,160

PLANNING BOARD REPORT

1999

The year 1999 challenged the board members to accomplish a wide variety of tasks. In addition to hearing five site plan reviews, four subdivision plans, many informational meetings and finalizing two past issues (one site plan and one subdivision), a new set of bylaws were adopted and a public opinion survey was created, mailed (THANK YOU Dave Sullivan and the Denning family), and tabulated. Copies of the survey and the responses are still available at the library and the Town offices.

As a result of the survey, a new committee, the Master Plan Updating Committee was formed. This committee is formed from 14 volunteers (more are welcome) living in Bristol that are willing to assist the Planning Board in planning for the future of Bristol. In anticipation of the success of this committee, the Planning Board has set aside the 4th Wednesday of every month for workshops. To date, this committee has met 3 times. Some determination of the direction to proceed has been discussed but the collection and distribution of information from various sources has been the focus.

The Planning Board will continue to meet on the 2nd Wednesday of every month for informational meetings, subdivision hearings, and site plan reviews, but expects to draw from the talents of volunteers while being assisted by the lakes Region Planning Commission to develop the Master Plan on an ongoing basis with a minimum of funding from the Town's budget.

Many thanks to all whom have contributed to a successful year.

Respectfully Submitted,

Christos Stamnas, Chairman

ZONING BOARD OF ADJUSTMENT REPORT

This year was the busiest year for the Zoning Board since I became a member. We started the year off with three applicants asking for variances the same night.

In all this year we had six variances that were approved. Most of these had to do with setbacks. We had one applicant that withdrew their application. There was also one applicant who didn't show up for their hearing so we had to deny their application.

Last spring some of the members attended a day of workshops on zoning and planning in Concord. I found these to be quiet good for us.

As the Board ended its year we worked on updating our by laws. I hope by the next meeting we will have this task done and voted on.

This year the Board was slim in number of members. We lost one and gained another but we still could do with some alternates. In closing my report I wish to thank those members I have for their time this past year.

Linda Lee, Chairperson

Jo Ellen Divoll, Vice Chairperson

Kelley Park Commission

Kelley Park continued to see many changes and improvements during 1999.

After long anticipation, the new Babe Ruth field, dugouts, and bleachers were utilized and athletes and families enjoyed the superb playing surfaces and accommodations for watching games.

In early spring, the existing tennis court was demolished and a regulation tennis court was constructed equipped with a brand new net and surface area. A fenced in area was also erected around the court for easier play.

Through donations from the Bristol Rotary Club, a majestic 35' fiberglass flagpole was erected behind the backstop of the Babe Ruth field. Shrubbery and a memorial stone are also part of the donation and new display in the park.

The committee would like to welcome a new member, Mr. Shane Tucker. The Committee is still seeking to fill two positions on the board. If you are interested please contact the Selectmen's Office.

Kelley Park Commission

BRISTOL HISTORICAL SOCIETY

Our first meeting was held March 16, 1999 at the Old Town Hall on Summer Street. The following meetings were held every second Tuesday of every month through October. Our meetings began at 7:30 p.m. with a business meeting. At 8:00 p.m. we have a program.

We sold coffee and doughnuts during voting day. We also sold chances on a yellow afghan made by our treasurer, Barbara Snyer. The winning ticket was drawn during Open House at Old Home Day. The winner was Mrs. Shirley Reed. We now own our own projector and screen. The screen was donated by Mrs. Irene Hopkins.

Our project this year was repairing the Civil War Monument at Homeland Cemetery. It was cleaned and repaired by the Laconia Monument Company. They also engraved the death date on Addie Gifford's marker at Rhodes Cemetery in South Alexandria. The money was donated by two of our members. Addie was a long time resident of Bristol and a member of Bristol Historical Society.

This Summer we utilized a number of history buffs from Bristol and surrounding towns, who researched various people of importance to Bristol. We are interested in getting more members. I'm sure you will enjoy learning about Bristol's past and their people.

Respectfully submitted,

Beverly McKenna, President

1999 CONSERVATION COMMISSION REPORT

The Conservation Commission has received gift of land from Robert A Finlayson of approximately .5 acres. It is located on Profile Falls Road abutting U.S. Government land and is of Historical, as well as environmental value to the town. We thank Don Martin and Ned Gordon for donating their services evaluating the property and handling the deed transaction.

Shaun Lagueux, our newest member, is a licensed forester. He works for Foreco of Rumney managing woodlands for private landowners.

Sam Worthen has stepped into an alternate position on the Board. He has been a member since the Boards inception in 1966. After 33 years of service he continues to be a vital part of our group.

The State of New Hampshire Department of Transportation has obtained a Conservation Easement from Boake Morrison on approximately one acre of land near the Newfound River. This easement mitigates for wetlands taken during the construction of the Rte 3A and Rte 104 bridges (recorded Grafton County Register of Deeds Book 2229 Page 0013, November 27, 1996, Book 2317 Page 0933).

We have purchased property markers and are in the process of marking Town Regulated Conservation Areas. Look for 4" radius blue and white markers along the boundaries of the Bennett wetland and other properties controlled by the Conservation Commission. The Catterall Easement on Hemp Hill Road is undergoing extensive improvements one large field is being prepared for seeding, brush is being cut and stonewalls rebuilt. Our thanks to Dr. Carl Carlson.

Effective January 1, 2000 the seasonal dock notification process has been streamlined. If your property and proposed dock meet certain criteria; a minimum of 75' shoreline frontage, 20' setbacks from property lines as well as dock removal during non-boating season you may qualify. Property abutters are not notified under this permit form. Application forms are available from the Town Clerk.

Town and State regulations need to be checked before making alterations to your land. In addition the New Hampshire Shoreline Protection Act has jurisdiction over certain kinds of work done within 250' of the shoreline of Newfound Lake and the Smith, Fowler, Newfound, and Pemigewasset Rivers.

Sincerely,

Mason Westfall, Chairman
Manard W. Dow
Janet Cote
Carroll Brown
Marion Robie
Shaun Lagueux
Sam Worthen, Alternate

BRISTOL COMMUNITY CENTER 1999 REPORT TO THE TOWN OF BRISTOL

The Staff of the BCC wishes everyone a Happy & Healthy New Year. This year has been a great year at the BCC. We had a new ceiling and lights installed in Tapply Hall and the Nursery School room. This has made a tremendous difference. We had some major furnace problems this year and had to have these attended to. We would like to thank Shirley Yorks for the wonderful landscaping work that she has done on the outside of the building. She has put in endless hours and made the outside of the building a place to be proud of. We also thank Doug Lamos for the time he put in repairing the stone wall in the front of the building. We are in the process of applying for grants and fund-raising money to fix the outside wall of the Archery range to stop the leaking we have experienced in the downstairs for many years.

The BCC has been a busy place with record numbers attending our programs in 1999. We added a Pre-Camp Open House Program to assist working parents. We continue to offer our Teen Open House Program on Tuesday evenings with a growing number of teens attending each week to play pool, basketball, ping pong, computers or watch movies. We have also begun a Cooking Time during this program where the teens can cook a meal to serve all participants. Also new this year was Yoga, Beginner Wrestling, Ballroom & Line Dancing, Acting Programs and Guitar Lessons *During the course of a normal week at the BCC over 1,000 people come through our doors for the many programs offered*

Bristol residents participated in many programs offered during 1999. They were offered Archery, Baseball, Basketball, Dances, Teen Open House, After School Open House, Karate, Junior High Basketball, Baseball & Softball, Umpire Clinics, Red Cross First Aid & CPR, Hunter Safety, Boy Scouts, Girl Scouts, Tot Time, SHARE, Volleyball, Summer Programs, Haunted House, Ghost Walk, Easter Egg Hunt, Father & Daughter Valentines Dance, Carnival Queen, Jack Frost & Miss Snowflake, Soccer, Gymnastics, TOPS, Tai Chi, Craft Classes, Senior Citizens Lunches and trips and Santa's Village, Yoga, Softball Pitching Clinics, Acting Classes, Wrestling, Guitar Classes, Dance classes and more.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. We are now using the Bridgewater Hebron Village School for our Basketball program and it is a wonderful facility to have available for the kids and adults. Our Soccer Program has more than doubled in the last few years. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

In ending the BCC wishes to thank the many Bristol volunteers that have donated their time and energies by working in our sports leagues, helping with our Haunted House, Santa's Village and our numerous other fundraising and youth activities. Thank you all!! We couldn't do it without you.

Respectfully submitted,

Leslie Dion, Director of Recreation

NEWFOUND AREA NURSING ASSOCIATION

214 Lake Street Bristol, NH 03222

Mission Statement: To promote health and provide therapeutic services for individuals and families in our community. Our services and programs are individualized to maximize outcomes and enhance quality of life in the community.

1999 Summary of Services

Home Care Program:

Skilled Nursing	4102
Physical Therapy	915
Home Health Aide	5564
Homemaker	1339
Supervisory	219
Speech Therapy	18
Total	12,157

Outreach Programs:

Well Child Clinics: Monthly clinics for physicals, immunizations, nutrition and health education, and referral for 35 children.

School Immunizations: Hepatitis B (series of three) for 30 students.

Flu Vaccines: 350

Pneumonia Vaccines: 50

Newfound Area Parental Support Programs:

Tots Play Time (Summer): Eight weeks. 12 parents and children couplets attended. (182 contacts)

Parent Mentor Visits: Home visits by seven trained volunteers to support new parents in their home. (42 visits)

Parent/Infant Support Group: Meets weekly, (130 contacts)

Woman's Support Group: Meets weekly. (182 contacts)

Active Parenting Training: Two courses, each six weeks of parenting and life skills (36 contacts)

Newborn Visits: Home visits by a Registered Nurse to assess 25 infants and mothers, provide education, referral and gift bags.

Newfound Area Nursing Association Report (continued)

Other Community Offerings:

Hypertension Screenings: 13 clinics, 165 contacts

Foot Care Clinics: 24 clinics, 144 contacts

Mental Health for Homebound Elders (MHHE): 100 visits to homebound seniors to assess them for depression and anxiety, education and referral.

Friendly Visitor Program: Eight trained volunteers visit isolated and depressed seniors in their homes (part of the MHHE program). (64 contacts)

Hospice Volunteers: Ten trained Hospice volunteers provide support for ill and dying clients and their families.

Lab Services: Blood draws on homebound individuals.

Community Education: 6 programs, 27 contacts.

Home care is still suffering under the negative impact of the Balanced Budget Act of 1997, resulting in a reduction in qualifying services and reimbursement. The year 2000 brings us a new reimbursement system from Medicare called the Prospective Payment System. It is expected that this system will not only further reduce services, but will also delay the payment for provided services. As a result this will dramatically reduce the cash flow to home care agencies. The staff and Board of NANA are planning changes in our internal processes to prepare ourselves for these further challenges. We look forward to another productive, if not profitable, year of service to our community.

Respectfully Submitted,

Jane D'Ovidio
Executive Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC. ANNUAL REPORT 1999

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln and also sponsors the Retired and Senior Volunteer Program of the Upper Valley and White Mountains (RSVP). Through the centers and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, congregate dining programs, transportation, adult day care, chore/ home repair services, recreational and educational programs, and volunteer opportunities.

During 1999, 191 older residents of Bristol were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center or Bristol Area Senior Services:

- ◆ Older adults from Bristol enjoyed 1,724 balanced meals in the company of friends in the senior dining rooms.
- ◆ They received 4,697 hot, nourishing meals delivered to their homes by caring volunteers.
- ◆ Bristol residents were transported to health care providers or other community resources on 174 occasions by our lift-equipped busses.
- ◆ They received assistance with problems, crises or issues of long-term care through 474 visits by a trained social worker.
- ◆ Bristol's citizens also volunteered to put their talents and skills to work for a better community through 831 hours of volunteer service.

The cost to provide Council services for Bristol residents in 1999 was \$44,003.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty. They also contribute to a higher quality of life for our older friends and neighbors. In addition, community-based services offered by the Council save tax dollars over nursing home care or other long-term care options. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Bristol's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Carol W. Dustin, Executive Director

PEMI – BAKER YOUTH & FAMILY
SERVICES COUNCIL, INC.

The Council is an organization dedicated to promoting community-wide approaches that support the development of healthy youths and their families. The Council currently coordinates five programs that are available to people in Eastern Grafton County:

- 1. Juvenile Court Diversion – a voluntary program for first-time juvenile offenders which holds them accountable for their actions. Volunteers from the community develop a contract with each youth and family, which may include community service, referrals to other agencies and programs, personal development tasks, etc. We have found that, of the youths who graduated from Diversion in 1996 - 1998, 92% have not committed an offense since, saving tens of thousands of dollars in court-ordered services.
- 2. Plymouth District Court Community Service Program – coordinates and tracks youths through productive community service projects in their own home towns.
- 3. The OPTIONS Program – a 12-hour early intervention program for teens which focuses on alcohol, tobacco and other drugs. Courses are non-judgmental and confidential. Teens in the small groups are asked to assess their relationships with these substances and learn what they can do to reduce their use or stop using entirely. Of all the youths who successfully completed the program in 1996 through 1998, not one, has re-offended.
- 4. OCTAA (On Campus Talking About Alcohol & Other Drugs) – offered in cooperation with local police departments and Plymouth State College, OCTAA provides an effective educational opportunity for anyone ages 18+. This is also a lifetime risk-reduction program on the use and abuse of drugs, and is self-funded.
- 5. Information and Referral – provides area residents with a clearinghouse of information on regional human service agencies and programs. People calling the *Pemi-Baker Resource Line* (collaborative program with Speare Hospital and the Whole Village) can receive free and confidential assistance on how to access these resources. Callers ask how to report child abuse, how to access public assistance or counseling. Services, where to find afterschool activities for children, etc. The Council will distribute over 3000 comprehensive *Grafton county Resource Guides* in 2000 to help towns, police, schools and other human service providers find services for the people they work with.

Total service figures for the Council are as follows:	1998	1999
Juvenile Court Diversion/Teen Court	52	49
OPTIONS Program	42	46
Information and Referral calls and visits.....	208	483
Grafton County Resource Guides.....	2000	3000
OCTAA (no summer course).....	96	139

Respectfully submitted,

Steven P. Bradley, *Executive Director*

REPORT TO THE PEOPLE OF DISTRICT ONE
BY RAYMOND S. BURTON, EXECUTIVE COUNCILOR

RFD #1, Woodsville, NH 03785

Tel: (603) 271-3632

747-3662, E-mail: rburton@gov.state.nh.us.

It is a pleasure to report to you as one of your elected officials serving on the five-member Executive Council within the Executive Branch of your NH State Government. This five-member elected group acts much like a board of directors for your very large NH State Government carrying out the law and budget as passed by the NH House & Senate and signed into law by the Governor. We also act upon gubernatorial nominations to the entire Judicial Branch of your government, State Supreme Court, Superior Court, Probate Court, District Court all are nominated by the Governor, a posted public hearing must be held by the Council and then a vote to deny or confirm the nomination is held. Persons interested in serving on a volunteer board of commission should contact Kathy Goode at the Governor's Office, 271-2121.

This is a brief list & quick reference of some of the available services from NH State Government for citizens looking for financial and Technical assistance and general information.

Adjutant General John Blair (Army & Air Guard of NH) 271-1200 Community Presentations on Drug Demand Education.

Director Bruce Cheney of the NH Emergency E-911 Office 271-6900 Mapping Services to towns, tours, and presentations available.

Director Art Haeussler of the State & Federal Surplus 271-2602 Informative newsletter about surplus foods, products, etc.

Commissioner Steve Taylor, NH Dept. of Agriculture 271-2561 Information on restoring old barns, controlling pests, has NH Weekly Market Bulletin available.

Attorney General Phil McLaughlin 271-3658 Financial grants for domestic violence, victim assistance, consumer protection bureau. Call Mark Thompson for listing.

Consumer Advocate Mike Holmes (Public Utilities) 1-800-852-3793 Handles complaints about electric bills, phone bills, etc.

NH Director of Prison Industries, Dennis Race 271-1875 Available products in furniture, data entry, signs, decals, car repair, printing and web page development.

NH Director of Historical Resources, Nancy Dutton 271-3558 Consults, has information about, historic structures, preservation, and appropriate laws and regulations.

Report to the People of District One (continued)

NH State Librarian, Mike York 1-800-499-1232 Has services for persons with disabilities, electronic information, archives and political library.

NH Director of Emergency Management, Woodbury Fogg 1-800-852-3792 Is ready to respond to inquiries about ice jams, floods, high winds, oil spills, big fires, etc.

NH Employment Security Comm, John Ratoff 1-800-852-3400 Finds employees, trains them keeps them working.

NH Environmental Services Comm., Robert Varney 271-3503 Air resources, Waste Management (dumps/landfills) water/sewers, wetlands permits. River management.

NH Fish & Game Dept. Director Wayne Vetter 271-3421 Hunter Education, public boat launches, wildlife centers.

NH Health & Human Services, Comm. Don Shumway 1-800-852-3345 Public Health, aids info, mental health, youth & families, long-term care, disabilities, elderly services, ombudsman.

NH Insurance Dept./Comm., Paula Rogers 1-800-852-3416 Process complaints about insurance fraud.

NH Labor Department, Comm. Jim Casey 1-800-272-4353 Handles complaints about wage and hours, worker's compensation, and vocational rehabilitation.

NH Community Technical College System, Comm. Glenn DuBois 1-800-247-3420 Info on programs for college credit, scholarships, at the seven-campus system throughout the State.

NH Dept. of Resources & Economic Development, Comm. George Bald 271-2411 Info on all State parks, economic development, ski operations, trails bureau, tourism maps, State forestry nursery and international commerce, and camping reservations.

NH Department of Safety, Comm. Richard Flynn 271-2791 Fire safety standards/training, motor vehicle registration, boating safety, State Police

NH Secretary of State, William Gardner 1-800-562-4300 Corporate name department, records management & archives, securities regulation.

NH Transportation Dept., Comm. Leon Kenison 271-3734 NH Airports, bridges, highway design, public transportation, railroads, public works – all are part of this key department.

NH Veterans Council, Director Dennis Viola 1-800-622-9230 Advocate for veterans and their families.

Report to the People of District One (continued)

NH Veterans Home in Tilton – Commandant Barry Conway 286-4412 A very suitable home for veterans with approved care and rehabilitative services.

NH Youth Services Dept., Comm. Peter Favreau 271-5942 Youth Center in Manchester, Detention Center in Concord, and the Tobey School for Youth.

All of NH State Government is accessible through 271-1110 and through the NH Webster System at <http://www.state.nh.us>, or call my office anytime at 271-3632, or e-mail to rburton@nh.us

Respectfully submitted,

Raymond S. Burton

Concord, NH 03301

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems & mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for a linkage to the communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- ♦ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- ♦ Performed substantial research leading to the publication of the *Lakes Region Scenic Byway Corridor Management Plan*. The plan is a guide for local communities interested in maintaining or enhancing the qualities of a scenic Byway.
- ♦ Completed an assessment for a regional household hazardous waste collection center for the Lakes Region. Conducted a regional meeting as a follow up.
- ♦ Completed the 1999 update to the *Regional Transportation Improvement Program*. The regional TIP is used by the NH Department of Transportation to prepare the biennial update to the State Ten-Year Plan.
- ♦ In cooperation with the NH Department of Environmental Services, LRPC completed the second year of community outreach that sought priority natural, cultural, and historic resources in all communities. Over 1300 features have been identified.
- ♦ Maintain the Regional Census Data Center, an extensive database of demographic and socioeconomic data on the region, state, and the U.S.
- ♦ Coordinated the 14th annual Household Hazardous Waste Collection (HHW), the largest single day, multi-size collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center.
- ♦ Continued area commission meetings to facilitate opportunities for local communities and commissioners to discuss regional projects and priorities, and the role of the commissioner.

Lakes Region Planning Commission (continued)

- ◆ Provided administrative support to the Advisory Task Force concerned about the relocation of a section of NH Route 140 in the town of Belmont. The Task Force includes members from neighboring communities.
- ◆ Provided information, including local regulatory recommendations, to communities about the National Flood Insurance Program.
- ◆ Enhanced LRPC's Web Site, www.lakesrpc.org, for the delivery of timely information to our members and the greater public. The web site contains information on meetings and schedules, current LRPC activities, as well as extensive traffic count and socioeconomic database. There are approximately twenty-seven requests a day from the web site.
- ◆ In cooperation with the NH Department of Transportation, the LRPC assumed a major role in conducting an extensive traffic data collection program in all area communities.
- ◆ Fulfilled regional efforts leading to the completion of the *Route 16 Corridor Study*. This report includes several innovative transportation and land use recommendations that can benefit all communities.
- ◆ Maintained staff support for the Pemigewasset River Local Advisory Committee. The committee is continuing efforts to prepare a corridor management plan. It is anticipated for completion next year.
- ◆ Convened two citizen educational workshops: one on the location of cellular towers, and the other on preparing implementing a successful community survey.
- ◆ Indicated research on regional commercial, industrial, and residential development trends.

We look forward to serving Bristol in the future. Feel free to contact the LRPC at 279-8171 for additional information or whenever we can be of assistance.

WHOLE VILLAGE FAMILY RESOURCE CENTER

The Whole Village Family Resource Center is comprised of sixteen health and social service agencies committed to collaborating together to provide families and individuals from the 17 towns of the Plymouth District Court Area, as well as New Hampton and Sandwich, with better, more comprehensive services. Despite this common goal, it must be recognized that these are all *autonomous* organizations, each with its own governing body, budget and funding initiatives. All the agencies have unique and invaluable strengths on their own, but by combining efforts with other Whole Village agencies many new possibilities for innovative and integrated service provisions have been, and continue to be, created.

The Whole Village Parent-Child Program is a prevention-based program, which provides support to families and educates parents to meet the challenges of raising safe, healthy children who will thrive. Parent-Child has two tiers of support for families with children ages five and under. The first level, providing more intensive family support, has a special emphasis on equipping very young parents for their responsibilities as parents, providers, and positive role models for their children. The second level of family support is provided in varying degrees for all others raising children ages 0 to five. The program enlists the expertise of staff within each of the agencies to benefit all families.

Of the 242 families who accessed Parent-Child services in 1999, fifteen were from Bristol.

Parent-Child Program activities include:

- ◆ Weekly Play & Learn Group
- ◆ On-site respite child care for children while their parents visit Whole Village
- ◆ Welcome Baby! Newborn home visiting program
- ◆ Family Fun Events
- ◆ Support Groups
- ◆ Parenting education classes
- ◆ Special topic parenting series
- ◆ Information and Referral
- ◆ The *First Books* Program with New Hampshire Public Television
- ◆ Intensive Support Program for Teen Parents:
 - ◆ GED preparation course for parents (child care and transportation provided)
 - ◆ Family support visits for young parents
 - ◆ Transportation
 - ◆ Social service and medical advocacy
 - ◆ Great Beginnings (nutrition program) through UNH Cooperative Extension Expanded Food and Nutrition Education (EFNEP) Program

Bristol Community Services
21 North Main Street
Bristol, NH 03222
(603) 744-2222

Bristol Community Services is a non-profit organization providing services to area residents, facilitating neighborly help. We receive no government funding. It is dependent upon Thrift Shop revenues and the generosity of area churches, civic organizations, businesses and individuals. Community Services' existence and healthy growth is proof that a rural area can go far in helping its own, and that concerned citizens working together with a common goal can contribute significantly to improving the welfare of the whole community.

The board of directors meets the second Wednesday of the month in January, March, May, June, July, September, and November. Council meetings are held following the board meeting and are made up of volunteers representing the various towns in the service area. A strong commitment to the neighbor helping neighbor philosophy sustains Bristol Community Services.

Volunteers are always needed and can be of assistance providing transportation, assisting the director with office responsibilities, working in the thrift shop, and serving on the executive board and the council.

1999 was a busy year at the Bristol Community Services with the organization providing 347 individuals in 168 households in Bristol, with assistance from the food pantry. Other assistance was provided to Bristol residents in the form of referral services, telephone reassurance calls, Secret Santa Program, food and gasoline vouchers, and transportation to doctors offices, hospital appointments, and area businesses, as well as assistance through the Bristol, Community Services Salvation Army Unit. Newfound Area residents received 139 Thanksgiving and Christmas food baskets as a result of the generosity of many.

Respectfully Submitted,

Deborah Farmer,
Executive Director

TOWN OF BRISTOL TOWN MEETING 1999

Bristol, NH

Grafton, SS

Supervisors: Nancy Gavalis, Raymah Wells, Danica Spain
Ballot Clerks: Phyllis Schofield, Virginia Sokoloski (Temp), Carrie Nyberg (Temp)
and Marcia Payne
Police: Chief Barry Wingate
Moderator: Edward Gordon
Town Clerk: Patricia Woolsey

March 9, 1999

Ballot box checked and found to be empty. Polls declared open at 8:00a.m.

Article 1. To choose all necessary Town Officers for the year ensuing.
Total votes cast: 391 Town Ballots and 389 School Ballots. School Official Ballot results:

For School Board: Bristol member for 3 years: Ernest R. Duncan 205, Jeffrey Shackett 172; New Hampton member for 3 years: Cynthia A Bruning 296; School District Moderator: Edward M (Ned) Gordon 355; for School Budget: Bristol member for 3 years: Elizabeth Mattson 325; New Hampton member for 3 years: Nathaniel (Chip) Sawyer 298.

Bristol's School Warrant Article results:

Article 2: Yes 149, No 227; Article 3: Yes 251, No 123; Article 4: Yes 302, No 77; Article 5: Yes 207, No 165; Article 6: Yes 202, No 169; Article 7: Yes 228, No 145; Article 8: Yes 149, No 215; Article 9: Yes 237, No 129; Article 10 Yes 221, No 152.

Polls closed at 7:00p.m.

and further action on the following articles at the Town Hall on Summer Street in said Bristol at 7:00pm on Wednesday, March 10, 1999.

MARCH 10, 1999

Moderator Edward Gordon declared the meeting open at 7:00pm. Reverend Susan Hoffman, of the Bristol Federated Church, offered a prayer. Chief Barry Wingate led us in the Pledge of Allegiance to the Flag. The Moderator read the results of the election of officers. David Powden stated, at the Town Elections, only 24% of the eligible voters cast their votes. He felt that was disgusting.

Article 2. To see if the Town will vote to raise and appropriate the sum of \$80,000 to fund the first half of a town wide reevaluation project. Requests for proposals to be sent to qualified, independent, municipal appraisal companies. Project expected to begin this summer, anticipated completion next summer. (Recommended by the Selectmen and the Budget Committee) Motion moved by Phil Dion and seconded by John Bianchi.

Mr. Dion spoke on the motion stating that this reevaluation is necessary due to the results of the Bank of NH case with the Town of Bristol. The vote came back against us. The last reevaluation was done in 1988 with a ratio study adjustment in 1993. We need to put all our assessments back in order. After this, we will be able to update these on a yearly basis with the new computers. This is only for 1/2 of what is the estimated cost. Mr. Dion stated that we needed to make sure everyone is paying their fair share.

A discussion ensued as to who would be doing the reassessment as well as how it will be updated yearly with assessing software. As there was no further discussion, a voice vote was taken and passed.

Article 3. To see if the Town will vote to appropriate the sum of \$147,200 to fund the Multi-Use Path which will run from the foot of Newfound Lake to approximately the Millstream Restaurant. 80% of the total cost (\$117,760) will be funded by a Transportation Enhancement Grant. The net amount, which will be raised through taxation is \$29440. This project is being administered by our Multi-Use Path Committee. (Recommended by the Selectmen and the Budget Committee) The motion was moved by William Phinney and seconded by Barry Wingate.

Speaking for the motion was Bill Phinney who stated that the Town had applied for this grant back in 1995. This is a multi-use path for hiking, biking, snowmobiling, etc. He explained how the committee was formed and where the path would go. The Town had to come up with \$147,200 but the State would reimburse us for \$117,760 leaving the cost of \$29,440.

David Powden questioned who was responsible for the Policing. In the winter, the snowmobile club has a grant in aide from the State and they would watch out for the trail and the Police Department now has a bike so they could also police it. The question arose as to why the Town had to raise the whole amount if the State was going to pay a portion of it. Ned Gordon stated that the money is dedicated only if you raise the money. Peggy Robinson stated that if you live at the Lake, there is no safe place to walk and she was all for this idea. After a lengthy discussion as to location and the liability issues, a voice vote was taken and passed.

Article 4. To see if the Town will vote to accept the budget as submitted by the Budget Committee and to raise and appropriate the sum of \$2,778,304 to defray town charges during the ensuing year. Appropriations voted in previous articles not included in this amount. Motion moved by Susan Duncan and seconded by Kerry Mattson.

Susan Duncan spoke on the motion state that this budget was a solid group effort. She wanted to thank Kerry Mattson for his service on the Budget Committee as he would not be returning for another term. Barry Wingate was also thanked for his help in working with the budget committee. Boake Morrison had several questions about the budget and received answers. After several other questions, a voice vote was taken and passed.

Article 5. To transact any other business which may legally come before this meeting.

Beverly McKenna wanted to talk about the safety problem with bicycles in the down town area. She stated that they ride too fast and carelessly and she felt there needs to be something done about this. Chief Wingate stated that at one time the Town had an ordinance, which was repealed, that restricted bicycles to walking in the down town area. David Powden stated he would like to see that ordinance as he did not recall there ever being one. Chief Wingate stated that the Town Clerk could look this information up.

On another subject, Richard Walenda wanted to commend the Police department. He felt they have done a good job this year and deserved to be mentioned.

David Powden stated that in the Town Report, it has a reference to a Eugene Musgrove and it is actually Richard Musgrove.

At this point, the Moderator announced that Representative Hoby Harmon was here and any one wishing to state their opinions on the Claremont Issue could speak to him after the meeting. Also, the Moderator wanted to take the time to acknowledge Jeff Shackett for his 4 years of dedicated service to the Town of Bristol as a Selectman. As there was no further business, the meeting was closed at 8:05pm.

All new officers have been duly sworn in.

Respectfully submitted,

Patricia F. Woolsey
Town Clerk
